

Session Program

27 September 2026 to 1 October 2026

ECRIS'26 - the 27th International Workshop on ECR Ion Sources

TUA: Oral session

Hilton San Francisco - Financial District
750 Kearny Street, San Francisco, CA 94108

Tuesday 29 September

09:00

TUA: Oral session

Session | **Location:** Hilton San Francisco - Financial District, 750 Kearny Street, San Francisco, CA 94108

09:00–09:30

ECR Ion Source for molecular hydrogen ions for NASA Space Radiation Laboratory at Brookhaven National Laboratory

Speaker

Shunsuke Ikeda

09:30–10:00

High Current DC H₂⁺ / H₃⁺ Beams Generation with PKU Type Miniaturized 2.45 GHz Microwave Driven Ion Source

Speaker

ShiXiang Peng

10:00–10:30

D-D Fusion with Low Energy Deuteron Beam at Nusano Ion Source

Speaker

Liangyi Chen

10:30
