

Session Program

27 September 2026 to 1 October 2026

ECRIS'26 - the 27th International Workshop on ECR Ion Sources

TUB: Oral session

Hilton San Francisco - Financial District
750 Kearny Street, San Francisco, CA 94108

Tuesday 29 September

11:00

TUB: Oral session

Session | **Location:** Hilton San Francisco - Financial District, 750 Kearny Street, San Francisco, CA 94108

11:00-11:30

Solid Beams Operations with the 28 GHz Electron Cyclotron Resonance (ECR) ion source at the Facility for Rare Isotope Beams (FRIB)

Speaker

Guillaume Machicoane

11:30-12:00

Development of Intense 50Ti, 51V and 54Cr Metallic beams, from MIVOC to HT Ovens

Speaker

Benoît gall

12:00-12:07

Pfeiffer Presentation

12:07-12:14

Pantechnik Presenation

12:30
