

Session Program

27 September 2026 to 1 October 2026

ECRIS'26 - the 27th International Workshop on ECR Ion Sources

WEA: Oral session

Hilton San Francisco - Financial District
750 Kearny Street, San Francisco, CA 94108

Wednesday 30 September

09:10

WEA: Oral session

Session | **Location:** LBNL, 50 Auditorium, 1 Cyclotron Road Berkeley, CA

09:10–09:40

Electron Cyclotron Resonance Dissociator Demonstrator for the Project 8 Experiment

Speaker

Manjinder Oueslati

09:40–10:10

ECR Electrostatic Thruster: From ECRIS to ECRET

Speaker

Romain BELLET

10:10–10:40

Revolutionizing Nuclear Physics with Neutrons: Electron Cyclotron Resonance Ion Source Technology and the Neutron Target Facility at LANSCE

Speaker

Andrew Cooper

10:40
