

Session Program

27 September 2026 to 1 October 2026

ECRIS'26 - the 27th International Workshop on ECR Ion Sources

WEB: Oral session

Hilton San Francisco - Financial District
750 Kearny Street, San Francisco, CA 94108

Wednesday 30 September

11:10

WEB: Oral session

Session | **Location:** LBNL, 50 Auditorium, 1 Cyclotron Road Berkeley, CA

11:10-11:40

Research on the Production of mA-level High-Intensity Pulsed Ion Beams

Speaker

Lixuan Li

11:40-11:47

Sumitomo Presentation

11:47-11:54

Isoflex Presentation

11:54-12:24

Mechanism of High-Efficiency Microwave Heating in ECR Ion Sources Using Vlasov Launchers

Speaker

Xinyu Wang

12:24
