

IPAC'23 - 14th International Particle Accelerator Conference

Tuesday, 9 May 2023

MC02.1 - Photon Sources and Electron Accelerators (Invited) - Sala Darsena (14:30 - 15:30)

-Conveners: Sara Casalbuoni

time	[id] title	presenter
14:30	[97] Superconducting undulators for future light sources	CALVI, Marco
15:00	[99] Towards the sub-Ångström regime at EuXFEL: simulations and first experimental results	BRINKER, Frank
