

# IPAC'23 - 14th International Particle Accelerator Conference

## Monday, 8 May 2023

### MC07.1 - Accelerator Technology and Sustainability (Contributed) - Sala Grande (15:30 - 16:30)

-Conveners: Peter McIntosh

time	[id] title	presenter
15:30	[1692] X-band activities at INFN-LNF	CARDELLI, Fabio
15:50	[2850] Characterisation of microbunching instability at the FERMI Free Electron Laser	BRYNES, Alexander
16:10	[2656] Additive manufacturing of copper RF structures for particle accelerator applications	KURENNOY, Sergey
