

IPAC'23 - 14th International Particle Accelerator Conference

Thursday, 11 May 2023

MC03.3 - Novel Particle Sources and Acceleration Techniques (Contributed) - Sala Darsena (09:30 - 10:30)

-Conveners: Carl Schroeder

time	[id] title	presenter
09:30	[2454] Asymmetric effects in shock-injection of laser-plasma acceleration of electrons	LEVINE, Eitan
09:50	[2330] FLASHForward: experimental progress towards an idealised plasma-based energy booster	BEINORTAITE, Judita
10:10	[1184] Acceleration of electrons from a linear accelerator by a laser driven plasma wave at CLARA	Dr REID, Lewis
