JACoW-Indico and SPMS conference tools, and information screens

Wednesday, 9 November 2022 11:30 (25 minutes)

Though SPMS and Indico can both manage the Scientific Program and facilitate the Editing Workflow, there are many additional tools which have been built for extracting information and producing useful graphics, reports, and data entry to aid in the running of the conference and proceedings office. The presentation will look at these tools available both for SPMS and JACoW-Indico.
