LaTeX Basic's and Maybe Some Advanced, Editing Tips and Tricks

Thursday, 10 November 2022 16:20 (1h 10m)

LaTeX is becoming the dominant format by which authors are preparing their papers, and editing using LaTeX is increasingly a skill needed in every proceedings office. This tutorial will give a hands-on introduction to LaTeX.

Presenter: CHRIN, Jan (Paul Scherrer Institut)

Session Classification: Thursday Afternoon Session
