

IPAC'24 - 15th International Particle Accelerator Conference

Monday, 20 May 2024

MOZN: Photon Sources and Electron Accelerators (Invited) - Room 104 (14:00 - 15:00)

-Conveners: Alessandro Fabris

time	[id] title	presenter
14:00	[84] Next 10 years of light sources	SHAFTAN, Timur
14:30	[136] On the production of short X-ray pulses at diffraction-limited light sources, an update and recent developments	DI MITRI, Simone
