

IPAC'24 - 15th International Particle Accelerator Conference

Monday, 20 May 2024

MOCD: Accelerator Technology and Sustainability (Contributed) - Davidson Ballroom (15:00 - 16:00)

-Conveners: Peter McIntosh

time	[id] title	presenter
15:00	[490] X-band high gradient accelerating structure for VIGAS project at Tsinghua university	GAO, Qiang
15:20	[719] Multi-mode cavity design and characterization	Mr SIMS, Benjamin
15:40	[813] LCLS-II-HE cavity acceptance testing progress	MANISCALCO, James
