

IPAC'24 - 15th International Particle Accelerator Conference

Monday, 20 May 2024

MOCN: Beam Instrumentation, Controls, Feedback and Operational Aspects (Contributed) - Room 104 (15:00 - 16:00)

-Conveners: Adriana Rossi

time	[id] title	presenter
15:00	[1509] Performance of a longitudinal bunch by bunch feedback in a system with a passive harmonic cavity	DEHLER, Micha
15:20	[1922] Direct RF sampling based LLRF control system for C-band linear accelerator	LIU, Chao
15:40	[1807] First testing results of an improved multi-dimensional bunch shape monitor	ARAUJO MARTINEZ, Aurora Cecilia
