

IPAC'24 - 15th International Particle Accelerator Conference

Wednesday, 22 May 2024

WEAN: Applications of Accelerators, Technology Transfer and Industrial Relations and Outreach (Contributed) - Room 104 (09:30 - 10:10)

-Conveners: John Byrd

time	[id] title	presenter
09:30	[1195] First dual isotope beam production for simultaneous heavy ion radiotherapy and radiography	GALONSKA, Michael
09:50	[596] Particle accelerator spin-transparent storage rings for beyond state-of-the-art science	SULEIMAN, Riad
