

# IPAC'24 - 15th International Particle Accelerator Conference

## Wednesday, 22 May 2024

**WECN: Accelerator Technology and Sustainability (Contributed) - Room 104 (15:00 - 16:00)**

-Conveners: Kiyomi Seiya

time	[id] title	presenter
15:00	[1314] Muon production target at J-PARC	MAKIMURA, Shunsuke
15:20	[1524] Novel materials for next-generation accelerator target facilities	AMMIGAN, Kavin
15:40	[1778] The testing experience of the cryomodules for the ESS beam on target phase at 2 MW capability	ELIAS, Nuno
