

IPAC'24 - 15th International Particle Accelerator Conference

Thursday, 23 May 2024

THAN: Novel Particle Sources and Acceleration Techniques (Contributed) - Room 104 (09:30 - 10:10)

-Conveners: Jared Maxson

time	[id] title	presenter
09:30	[904] Design, realization and high power RF test of the new brazed free C band photo-gun	ALESINI, David
09:50	[1139] Beam profile measurement of the ultra-slow muon for the transmission muon microscope	NAKAZAWA, Yuga
