

IPAC'24 - 15th International Particle Accelerator Conference

Thursday, 23 May 2024

THBN: Accelerator Technology and Sustainability (Contributed) - Room 104 (11:30 - 12:30)

-Conveners: Jui-Che Huang

time	[id] title	presenter
11:30	[1270] Progress in the design of the magnets for a Muon Collider	FABBRI, Siara
11:50	[412] Advancements in superconducting undulator technology: deployment of the first Nb3Sn-based SCU at the Advanced Photon Source	KESGIN, Ibrahim
12:10	[940] Lifetime of non-evaporable getter thin films over repeated activation	Ms MARSHALL, Eleni
