

IPAC'24 - 15th International Particle Accelerator Conference

Friday, 24 May 2024

FRXD: Applications of Accelerators, Technology Transfer and Industrial Relations and Outreach (Invited) - Davidson

Ballroom (09:30 - 10:30)

-Conveners: Patrick O'Shea

time	[id] title	presenter
09:30	[338] Commissioning of carbon ion treatment accelerator with a superconducting rotating gantry	SOUDA, Hikaru
10:00	[55] Application of superconducting cavities as ultra-sensitive RF photon detectors	GIACCONE, Bianca
