JACoW 2023 Team Meeting

Thank You!

- Taiwan Team **Hosts**
- Conference Series and Organisations who Supported you all to be Here
- JACoW Board of Directors
- Speakers and Presenters
- Co-opted Team Members Experts

Building up Team Members

- **Knowledge.** What you know and understand
- **Skills.** How you apply what you know
- **Network.** The people you know and can collaborate with
- **Resources.** What you have in terms of assets and tools
- **Reputation.** How the world perceives and values you

End of Meeting Check List

- Have I got the details of those experts you need help from? do I know what they look like?
- Have I met and spoken to anyone who I might need to invite to a future conference as editors or supporter?
- Do I know who the key people are behind various tools?
- Have you seen and thought about aspects of the collaboration you might be able to contribute your talents?
- Have you thought about your support, and how to get sponsorship of your involvement to support JACoW's goals and obligations?
- Do you still feel alone with no one to turn to for information or advice?
- If you haven't been able to get answer to above, then why not?

JACoW Team Meeting 2023 feedback

Thank you for participating in the 2023 Team Meeting of the JACoW collaboration. Please tell us about your experiences so that we can work together to make these annual meetings even more effective and useful for all of us. You can stay anonymous or leave your name as you prefer, but please don't be shy about providing honest feedback - we're very happy to talk about how to improve things, as well as what worked well!

**Join in making IPAC'25
a success**
