

FEL2024 - 41st International Free Electron Laser Conference

Sunday, 18 August 2024 - Friday, 23 August 2024

POLIN

Scientific Programme

Advanced FEL modes and science applications

Attosecond science – Nobel Prize session

Electron sources

Electron diagnostics, timing, synchronization & controls

Electron beam dynamics

FEL theory

FEL oscillators & IR-FEL

Industrial application of FELs

Novel acceleration and FEL concepts

Photon beamline instrumentation & undulators

Seeded FEL

SASE-FEL
