

FEL2024 - 41st International Free Electron Laser Conference

Friday 23 August 2024

Attosecond science - Nobel Prize session: Session-13 (11:00 - 12:50)

-Conveners: James Cryan

time	[id] title	presenter
11:00	[268] Attosecond x-ray free-electron lasers	MARINELLI, Agostino
11:30	[228] Attosecond Science at FELs	Prof. SANSONE, Giuseppe
12:00	[231] A novel single-shot characterization method for attosecond FEL pulses using self-referenced spectral interferometry	Prof. FENG, Chao XIAO, Yaozong
12:25	[276] Applications of Attosecond Soft-X-ray pulses to Photoemission Chronoscopy and Transient Absorption	WOERNER, Hans Jakob
