

eeFACT 2025 - 70th ICFA Advanced Beam Dynamics Workshop on High Luminosity Circular e⁺e⁻ Colliders

Contribution ID: 204

Type: **Invited Oral Presentation**

DAMA design optimization for light sources and implications for FCCee

Friday 7 March 2025 10:00 (30 minutes)

Presenter: RATNER, Daniel (SLAC National Accelerator Laboratory)

Session Classification: Machine learning and automatic tuning
