

eeFACT 2025 - 70th ICFA Advanced Beam Dynamics Workshop on High Luminosity Circular e+e-Colliders

Contribution ID: 206

Type: **Invited Oral Presentation**

ML techniques for polarization improvements in RHIC and EIC

Friday 7 March 2025 11:20 (30 minutes)

Presenter: HAMWI, Eiad (Cornell Univ.)

Session Classification: Machine learning and automatic tuning
