13th INTERNATIONAL BEAM INSTRUMENTATION CONFERENCE

Sept. 9-13, 2024 · Beijing, China

INVITATION FOR SPONSORSHIP

Dear Sponsors and Exhibitors,

It is our pleasure to announce that the **13th International Beam Instrumentation Conference (IBIC2024)**, will take place in Beijing, China, from September 9 -13, 2024, and we would like to invite you to become one of the sponsors of the event.

IBIC Series bring together the world community of experts in instrumentation for particle accelerators, to explore the physics and engineering challenges of beam diagnostics and measurement techniques for charged particle beams. The 3.5 days conference includes tutorials on selected topics, invited talks, contributed talks and poster sessions, as well as industrial exhibitions. As an indispensable part of this conference, the exhibition will run in conjunction with the conference, especially coffee breaks as well as poster presentations. IBIC2024 will undoubtedly provide the most significant marketing platform within the industry throughout the world. We believe this is an excellent opportunity for your company.

IBIC2024 was held by Institute of High Energy Physics (IHEP), which is China's biggest laboratory for the study of particle physics. BEPCII and CSNS, two large-scale facilities are operating, HEPS, a fourth-generation light source is under construction in IHEP. As part of the conference, a tour of the HEPS construction site and the BEPCII facility is organized.

Beijing, the capital of the People's Republic of China (PRC), the center of politics, culture, transport, tourism, and international communication of China, is a fast-growing, dynamic metropolis, attracts foreign businesses and visitors, and maintains a firm grip on its rich cultural heritage.

We look forward to your participation!
