

IBIC2024 - 13th International Beam Instrumentation Conference

Contribution ID: 40 Contribution code: TUAC2

Type: **Contributed Oral Presentation**

Overview of the FCC-ee beam instrumentation R&D

Tuesday, 10 September 2024 09:50 (20 minutes)

The talk shall present an overview of the FCC beam instrumentation needs, the corresponding main challenges. This will review the different R&D activities being currently pursued, including Beam position and loss monitoring, Transverse and longitudinal monitoring systems as well as polarimetry and luminosity monitoring.
