

IBIC2024 - 13th International Beam Instrumentation Conference

Monday, September 9, 2024 - Friday, September 13, 2024

Wanda Realm Beijing

Scientific Programme

Program at a glance -- Please click here for IBIC2024 Program . More details please refer to the timetable.

MC1: Beam Charge and Current Monitors

MC2: Beam Loss Monitors and Machine Protection

MC3: Beam Position Monitors

MC4: Transverse Profile and Emittance Monitors

MC5: Longitudinal Diagnostics and Synchronization

MC6: Feedback Systems and Beam Stability

MC7: Data Acquisition and Processing Platforms

MC8: Machine Parameter Measurements

MC9: Overview and Commissioning
