

IBIC2024 - 13th International Beam Instrumentation Conference

Wednesday, 11 September 2024

WEA: Data Acquisition and Processing Platforms: WEAI (Invited Oral) - China Hall 2 (09:00 - 10:00)

-Conveners: Yongbin Leng

time	[id] title	presenter
09:00	[26] FWK - an open-source FPGA framework by DESY for large scientific projects	BÜCHLER, Michael
09:30	[39] Remote sensing of fast beam signals using electro-optical modulators	SCHLOGELHOFER, Andreas

WEA: Data Acquisition and Processing Platforms: WEAC (Contributed Oral) - China Hall 2 (10:00 - 10:20)

-Conveners: Yongbin Leng

time	[id] title	presenter
10:00	[15] Newly developed digital signal acquisition and processing platform for beam instruments at IMP	LI, ZhiXue
