IPAC'25 - the 16th International Particle Accelerator Conferece

Contribution ID: 416 Contribution code: MOYD1

Type: Invited Oral Presentation

Review of nonlinear resonances in accelerators and storage rings; including a discussion of chaos, particle diffusion and dynamic aperture

Monday 2 June 2025 11:00 (30 minutes)

Review of nonlinear resonances in accelerators and storage rings; including a discussion of chaos, particle diffusion and dynamic aperture

Footnotes

Funding Agency

Primary author: LEE, Shyh-Yuan (Indiana University)

Presenter: LEE, Shyh-Yuan (Indiana University) **Session Classification:** Plenary after coffee
