

Session Program

1-6 Jun 2025

IPAC'25 - the 16th International Particle Accelerator Conference

WECD

Taipei International Convention Center (TICC)
1 Hsin-Yi Road, Section 5, Taipei 11049, Taiwan

Wednesday 4 June

15:00

WECD: MC1+MC3+MC6(Contributed)

Session | **Location:** Taipei International Convention Center (TICC), 1 Hsin-Yi Road, Section 5, Taipei 11049, Taiwan

15:00–15:20

Future e+e- colliders using recycling Energy-Recovery Linacs

Speaker

Vladimir Litvinenko

15:20–15:40

Development of cold atom electron source in KEK

Speaker

Yosuke Honda

15:40–16:00

Experimental demonstration of transient-beam-loading compensation using new digital LLRF system at the Photon Factory storage ring

Speaker

Daichi Naito

16:00
