

Session Program

1-6 Jun 2025

IPAC'25 - the 16th International Particle Accelerator Conference

WE1D: Novel Particle Sources and Acceleration Techniques (Invited)

Taipei International Convention Center (TICC)
1 Hsin-Yi Road, Section 5, Taipei 11049, Taiwan

Wednesday 4 June

15:30

16:00

WE1D:Novel Particle Sources and Acceleration Techniques (Invited)

Session | **Location:** TICC, Room 101, First Floor | **Convener:** Yoichi Sato

15:30–16:00

Enhanced proton and neutron production using the ultra-short (24 fs) and high-power (2 PW) Apollon laser facility

Speaker

Julien Fuchs
