

Session Program

Oct 19 - 24, 2025

**HB2025 - the 71st ICFA Advanced Beam
Dynamics workshop on High-Intensity and High-
Brightness Hadron Beams**

MOLBA WGs Plenary presentations

Mon, October 20

11:00 AM

MOLBA WGs Plenary presentations: MOLBA

Session | **Location:** Conference Center, Room A | **Convener:** Ji-Ho Jang

11:00 – 11:30 AM

Heavy Ion Beam Loss Control at the Facility for Rare Isotope Beams

Speaker

Tomofumi Maruta

11:30 AM – 12:00 PM

Beam trip compensation for high power superconducting RF linac and progress of CiADS

Speaker

Yuan He

12:00 – 12:30 PM

The Muon Collider design challenges

Speaker

Elias Métral

12:30 PM
