

Session Program

Oct 19 - 24, 2025

**HB2025 - the 71st ICFA Advanced Beam
Dynamics workshop on High-Intensity and High-
Brightness Hadron Beams**

MOLCA WGs Plenary presentations

Mon, October 20

2:00 PM

MOLCA WGs Plenary presentations: MOLCA

Session | **Location:** Conference Center, Room A | **Convener:** Jingyu Tang

2:00 – 2:30 PM

High intensity operations of J-PARC accelerators and progress to beyond 1 MW

Speaker

Hideaki Hotchi

2:30 – 3:00 PM

Overview and Latest status of the CSNS-II project.

Speaker

Huachang Liu

3:00 – 3:30 PM

The Challenges of Instabilities and Impedances on High Intensity Hadron Machines

Speaker

David Posthuma de Boer

3:30 PM
