

Session Program

Oct 19 - 24, 2025

**HB2025 - the 71st ICFA Advanced Beam
Dynamics workshop on High-Intensity and High-
Brightness Hadron Beams**

WECCC WGB contributed oral

Wed, October 22

2:30 PM

WECCC WGB contributed oral: WECCC

Session | **Location:** conference center, room C

2:30 – 2:50 PM

The progress of HIAF Linac and beam commissioning

Speaker

Weilong Chen

2:50 – 3:10 PM

Beam dynamics and Linac design for the 200 MeV energy upgrade at KOMAC

Speaker

Seok Ho Moon

3:10 – 3:30 PM

Beamline Physics Design and High-Brightness Beam Optimization for the CSNS-II Linac

Speaker

Yanliang Han

3:30 PM
