

Session Program

Oct 19 - 24, 2025

**HB2025 - the 71st ICFA Advanced Beam
Dynamics workshop on High-Intensity and High-
Brightness Hadron Beams**

FRIAA WGE invited oral

Fri, October 24

8:30 AM

FRIAA WGE invited oral: FRIAA

Session | Location: conference center, room A | Convener: Zhijun Wang

8:30 – 9:00 AM

Advancing Materials Studies for High-Power Proton Accelerators in J-PARC and Relevant Activities under RaDIATE Collaboration

Speaker

Shunsuke Makimura

9:00 – 9:30 AM

Automation for CERN’s accelerator fleet - status and next steps

Speaker

Michael Schenk

9:30 AM
