

Session Program

Oct 19 - 24, 2025

**HB2025 - the 71st ICFA Advanced Beam
Dynamics workshop on High-Intensity and High-
Brightness Hadron Beams**

WECDC WGB contribute oral

Wed, October 22

5:00 PM

WECDC WGB contribute oral: WECDC

Session | **Location:** conference center, room C | **Convener:** Nicolas Chauvin

5:00 – 5:20 PM

AI techniques and strategies for Linac tuning at LNL

Speaker

Michele Comunian

5:20 – 5:40 PM

DONES Accelerator Design and Beam Physics

Speaker

Nicolas Chauvin

5:40 – 6:00 PM

Exploring the Potential of H_3^+ for High-Intensity Applications

Speaker

lige zhang

6:00 PM
