

# CLOSING SESSION

Meghan McAteer, HZB

2024 JACoW Annual Team Meeting, Deauville, France

# Many people to thank...

Local organizers and GANIL

Candidates for BoD

Presenters (new and old)

All of you

# Recent Developments and Milestones

Transition from  
SPMS to Indico

Cat Scan

Indexing of proceedings in  
Scopus (LINAC, IBIC)

Reference Search Tool

JICT as a service on  
jacow.org

IPAC-Docs documentation for  
technical processes

“One-Click”  
proceedings generation

Training videos  
for editors

## Coming Soon...

Overhaul and  
updating of wiki

Major reworking  
of templates

New communication  
channels with JACoW users

Automation of manual  
maintenance tasks

Central repository  
functionality in Indico

Better onboarding info between  
JACoW and LOCs

Automatic CatScan checks  
when submitting papers

Improved search engine  
for proceedings

Fine-tuning of editor workflow  
interface in Indico

Further developments to  
Conference Assembly Tool

So long,

and thanks  
for all  
the fish!
