Welcome message

It is our privilege to invite you to exhibit at and sponsor ICALEPCS 2025, the 20th edition of the International Conference on Accelerator and Large Experimental Physics Control Systems. ICALEPCS 2025 will be held September 20 to 26, 2025, at the Palmer House Hilton in Chicago, Illinois, and is hosted by Argonne National Laboratory.

ICALEPCS is the preeminent conference for control system engineers working at world leading scientific laboratories around the globe. The series was inaugurated in 1987 by a number of control system specialists from accelerator laboratories around the world. Over this time the Conference has evolved, keeping pace with changes in technology, the development of better control systems, the demands from facility operations, as well as a growing marketplace supporting the mission of these laboratories. The community for this Conference series has also grown, with ICALEPCS 2025 expecting 450 attendees representing over 200 research institutions worldwide. It is no longer just a conference for accelerator and experimental physics control systems. It is a forum enabling discussions and the interchange of ideas on technologies, engineering practices, management practices, project evolutions, safety system practices, cyber security, and cutting-edge enabling research, for many kinds or research instruments from many kinds of research institutions.

ICALEPCS 2025 is being hosted by Argonne National Laboratory (ANL), home to the Advanced Photon Source (APS), the world-class particle accelerator. The APS has recently completed a major upgrade project, making it the brightest hard X-ray synchrotron source in the world and enabling new groundbreaking science and discoveries. Argonne is a multipurpose research institution funded primarily by the U.S. Department of Energy's Office of Science.

Enclosed you will find general information about the conference, venue, sponsorship packages, and exhibitor opportunities. Additional details will follow in an updated Sponsor/Exhibitor Handbook closer to the event. Your contribution and involvement as a sponsor and/or exhibitor are vital to the continued success of ICALEPCS. We look forward to your participation in creating a successful conference for everyone.

ICALEPCS 2025 Local Organizing Committee

About ICALEPCS

ICALEPCS facilitates fruitful collaborations among the world's control system specialists from large scientific installations, such as particle accelerators, light sources, laser facilities, telescopes, tokamaks, etc. The series of ICALEPCS conferences started in 1987 in Villars-sur-Ollon (Switzerland), hosted by CERN. The conferences subsequently rotated between three major areas of the world: America (including North, Central and South America), Asia (including Oceania) and Europe (including Russia, the Near East and Africa). Over the years the conferences have seen a growing number of participants, institutions, and countries.

ICALEPCS is a biennial series of conferences that is intended to:

- Provide a forum for the interchange of ideas and information between control system specialists working on large experimental physics facilities around the world (accelerators, particle detectors, fusion reactors, telescopes, etc.);
- Create an archival literature of developments and progress in this rapidly changing discipline;
- Promote, where practical, standardization in both hardware and software;
- Promote collaboration between laboratories, institutes, and industry

The conference consists of a scientific program including keynote, invited, and contributed talks and poster sessions covering the following areas:

- Experiment Control
- Functional Safety Systems for Machine Protection, Personnel Safety
- Software Technology Evolution
- User Interfaces, User Perspective and User eXperience (UX)
- Project Status Reports
- Control Systems Upgrades
- Control System Infrastructure
- Data Management

- Device Control and Integrating Diverse Systems
- Feedback Control and Process Tuning
- Hardware Technology
- Timing and Synchronization
- Systems Engineering, Collaborations, Project Management
- Data Analytics

The conference is overseen by the International Scientific Advisory Committee comprised of about 40 members from scientific laboratories around the world.

Why should you get involved as a sponsor or exhibitor?

- Our ICALEPCS 2025 sponsorship packages are a cost-effective opportunity to reach a large number of delegates within your immediate target market, as well as a remarkable group of professionals from several specialized disciplines, including influential political and media stakeholders.
- A presence at the conference is your organization's opportunity to leverage unparalleled access to a wide potential client base, to inform them about your products and services and build long-term relationships.
- Sponsorship is a proven tactic for marketing your brand: it combines the reach of magazine advertising with the power of direct mail and the persuasion of face-to-face meeting.
- Conference participants are keen to improve their scientific knowledge. Aligning your company with this powerful educational experience demonstrates your commitment to assisting their development at a deeply personal level.
- Your company will benefit significantly from exposure to an interested, relevant and influential audience in an informal yet informative environment away from the competition of everyday distractions.
- The conference will assist you in achieving strategic goals by providing you with direct exposure to your target market.

Delegate profile

We anticipate that around 450 delegates from over 200 institutions, worldwide, will attend. Attendees range from laboratory leaders to graduate students, at all types of large experimental scientific facilities and associated academic research groups.

The venue

ICALEPCS 2025 will be held at the Palmer House in the heart of the Chicago Loop. Offering over 130,000 square feet of meeting space, including three grand ballrooms, this historic venue is ideally suited for a meeting the size of ICALEPCS. Its prime location in the Theater District, just blocks from Millennium Park and the Art Institute of Chicago, makes it an ideal choice for our conference. The Palmer House combines modern amenities with historic charm and is conveniently situated near multiple "El" train stations, ensuring easy access to all of Chicago.

Floor plans

With its massive 16,909 sq. ft. Exhibit Hall and 3 Ballrooms, the Palmer House provides extensive facilities for the ICALPECS 25 conference. More information at [Palmer House Hilton Meetings & Events](#).

Standard Exhibition booths are available in the main Exhibit Hall where the poster sessions will be hosted, offering excellent opportunities for exhibitors to engage with attendees. Premium placements for Platinum and Gold sponsors will be available in the State Ballroom, situated right outside the Grand Ballroom where plenary sessions will occur. Both the State Ballroom and the Exhibit Hall will be the site for coffee breaks twice a day.

Sponsorship packages summary

We offer four sponsorship levels to suit all budgets.

Below is the breakdown of the sponsorship packages with the included benefits for your consideration:

Item	Platinum 	Gold 	Silver 	Bronze 
Premium booths (State Ballroom)	2	1		
Standard booths (Exhibit Hall)			2	1
Delegate (full access) passes included	4	3	2	1
Logo in footer of all conference webpages	✓			
Logo on conference signage	Extra large	Large		
Logo on main conference banner	✓	✓		
Logo on oral session break screens	✓	✓		
Logo on conference program	Extra large	Large	Medium	Standard
Logo on conference welcome pack bag	✓			
Insert in conference welcome pack	✓	✓		
Cost (USD)	\$17,500	\$12,500	\$9,000	\$6,500

Please note that quantities are limited, and availability is on a first come, first serve basis. Detailed descriptions of the sponsorship level benefits are provided on page 10.

Additional sponsorship/exhibitor opportunities

In addition to the main sponsorship packages, we offer a variety of *a la carte* sponsorship and exhibitor options to enhance your visibility and engagement at the conference. Please note that some quantities are limited, and additional opportunities may be added as they become available. Detailed descriptions of the opportunities are provided on page 11.

Sponsorship/Exhibitor Opportunities at a Glance

Item	Cost (USD)	Included in Sponsorship Levels
Standard Exhibitor (Exhibitor Hall Booth + 1 exhibitor pass)	\$6,000	
Premium Exhibitor (State Ballroom Booth)	Sponsors only	
Additional booth space (adjacent if available)	\$3,000	
Additional exhibitor passes (limited access to conference sessions)	\$800	
Non-exhibiting sponsor	\$1,250+	
Exclusive APS Tour Sponsor	\$5,000	
Exclusive Welcome Reception Sponsor	\$6,250	
Logo in footer of all conference webpages	\$1,250	
Logo on conference signage	\$650	
Logo on main conference banner	\$1,250	
Logo on oral session break screens (projected displays)	\$650	
Logo on conference program	Sponsors only	
Logo on conference welcome pack	\$5,000	
Insert in conference welcome pack	\$1,500	
Branded give-away in welcome pack (pens, notepads, etc.)	\$1,250	

Premium Sponsorship Package Descriptions

Platinum Sponsorship | \$17,500 (35% Discount Value)

The benefits for the Platinum sponsorship include:

- Two (2) adjacent premium location (State Ballroom) exhibit booths (approx. 12' x 3)
- Four (4) complimentary general attendee conference registrations
- Extra-large logo on the conference signage and conference program
- Logo in the footer of all conference webpages
- Logo on the main banner of the event
- Logo on the oral session break screens (projected displays)
- Logo on the conference welcome pack bag
- Rights to provide one (1) conference welcome pack literature insert
- Most prominent placement of logo on the conference sponsors list web page, with link back to company website
- Acknowledgement during the conference opening and closing remarks

Gold Sponsorship | \$12,500 (25% Discount Value)

The benefits for the Gold sponsorship include:

- One (1) premium location (State Ballroom) exhibit booth (approx. 6' x 3')
- Three (3) complimentary general attendee conference registrations
- Large logo on the conference signage and conference program
- Logo on the main banner of the event
- Logo on the oral session break screens (projected displays)
- Rights to provide one (1) conference welcome pack literature insert
- Prominent placement of logo on the conference sponsors list web page, with link back to company website
- Acknowledgement during the conference opening and closing remarks

Silver Sponsorship | \$9,000 (21% Discount Value)

The benefits for the Silver sponsorship include:

- Two (2) adjacent standard location (Exhibit Hall) exhibit booths (approx. 12' x 3')
- Two (2) complimentary general attendee conference registrations
- Medium logo on the conference program
- Logo on the conference sponsors list web page, with link back to company website
- Acknowledgement during the conference opening and closing remarks

Bronze Sponsorship | \$6,500 (10% Discount Value)

The benefits for the Bronze sponsorship include:

- One (1) standard location (Exhibit Hall) exhibit booth (approx. 6' x 3')
- One (1) complimentary general attendee conference registration
- Standard logo on the conference program
- Logo on the conference sponsors list web page, with link back to company website
- Acknowledgement during the conference opening and closing remarks

Exhibitor and Sponsorship Opportunity Details

Standard Exhibitor Package \$6,000

Regular exhibit booths (approx. 6' x 3' of table space) are located in the Exhibit Hall (see floor plans). As an Exhibitor you will receive the following benefits:

- One standard location Exhibit booth
- One complimentary exhibitor pass: does not include access to the reception, banquet and conference oral sessions
- Listing in conference program and on conference website as an exhibitor (no logo)

Premium Exhibit Booth – Platinum & Gold Sponsor exclusive

Premium exhibit booths are located in the State Ballroom (see floor plans).

Additional Booth Space \$3,000

Only available as an add-on to a Sponsorship package or Standard Exhibitor package. Added booth space (approx. 6' x 3') will include additional furniture and be adjacent to any existing booth space where possible.

Additional Exhibitor Passes \$800

Only available as an add-on to a Sponsorship package or Standard Exhibitor package. Exhibitor passes do not include access to the reception, banquet and conference oral sessions.

Non-Exhibitor Sponsorships \$1,250+

Sponsorship options are available for organizations who cannot attend. Level of exposure based on level of contribution (please arrange with conference committee). Options include: logo on conference signage, logo on conference website with company link, etc.

APS Site Tour Sponsor \$5,000

The final day of the conference (Friday, September 26th) will feature a tour of the Advanced Photon Source (APS), a highly popular excursion that draws many interested delegates. Sponsorship benefits include the following:

- Acknowledgement at the start of the tour
- Option to have a trade table set up in the APS lobby during the tour
- Option to place signage in the APS lobby during the tour (*)
- Exclusive opportunity to promote your company with the Tour announcements

(*) Pending Argonne National Laboratory site access approval.

Welcome Reception Sponsor \$6,250

Sponsor the Meet & Greet at the Palmer House on the evening of Sunday, September 21st. This well-attended reception attracts a significant number of delegates. Sponsorship benefits include the following:

- Acknowledgement at the start of the reception
- Option to have a trade table set up at the reception
- Option to place signage at the reception
- Exclusive opportunity to promote your company with the reception announcements

Welcome Pack Insert \$1,500

A single insert supplied prior to the conference opening by the sponsor/exhibitor will be placed in every delegate's welcome pack. An insert is defined as a single item with maximum dimensions (8.5"x11") and can be a number of sheets if they are already collated and held together by a staple or folder. Each item should be no heavier than 150g and limited to 4 pages.

Branded Give-away in Welcome Pack \$1,250

Placement of the sponsor's choice of give-away in every delegate's conference welcome pack. Items are to be supplied by sponsor/exhibitor prior to the conference opening and must be small & light enough to fit in a bag. Examples: pens, water bottle, notepads.

Additional information

Key Dates

January 2025 – Public conference announcement(s) and calls for contributions

January 2025 – Full Sponsorship/Exhibitor Handbook available, Sponsorship/Exhibitor registration open

20 September 2025 – Conference Starts

20-21 September 2025 – Conference Workshops

21 September 2025 – Exhibition starts

21 September 2025 – Welcome Reception (evening)

26 September 2025 – APS Tour (afternoon)

26 September 2025 – Conference Closes (noon)
